My College organises a wide range of activities including student exchange programmes. I was in Lyon, France and Vienna, Austria for summer studies in the past two years. Not only have these experiences deepened my understanding of architecture and learning of foreign languages, they have also broadened my global horizons. 藉著書院安排的各類交流和體驗活動，近兩年暑假我在法國和奧地利進行了暑期交流，不但讓我提高外語水平和建築觸覺，更擴闊了國際視野。
