## Unique College System 獨特的書院制度

CUHK is the only university in Hong Kong that offers a collegiate system. At CUHK, every full-time undergraduate student is not only a member of the University, but also a member of one of our nine Colleges. Each College offers a unique community that supports students' whole-person development through a wide range of academic, cultural, and social activities. Colleges also provide their own hostels, dining halls, and other facilities to enrich campus life.

中大是全港唯一設有書院制度的大學。在中大，所有全日制本科生不僅是大學的一分子，同時亦會被編配至九所書院之一。書院為學生提供多元化的學習、文化及社交活動，致力培育學生的全人發展。書院亦設有宿舍、飯堂及其他設施，豐富學生的校園生活。

## How to Choose a College at CUHK? 如何選擇入屬中大哪一間書院?

Students admitted through JUPAS will be invited to indicate their College preferences after the release of the JUPAS Main Round offer results. The assignment of College affiliation takes into account various factors, such as student preferences, academic diversity, and available capacity. Choosing a College is like picking a home for the university journey. Each College has its own vibe, traditions, and facilities. Before completing the College preference form, it is worthwhile to explore what each College offers – including its culture, activities, general education curriculum, academic support, scholarships, exchange programmes, and residential and communal dining arrangements. Details are available on College websites, and student ambassadors are ready to share their experiences. Through CUHK's unique College system, students form close friendships, build supportive communities, and enjoy a rich and fulfilling university life.

透過聯招入讀中大的新生可根據自己意願填寫書院選擇表。大學在編配新生入屬不同書院時，會考慮同學的書院選序、書院學科多樣性及書院名額等。

選擇入屬哪一間書院就像挑選大學生活的「家」——中大的各間書院有各自的文化特色、設施和氛圍，在填寫書院選擇表之前，同學不妨多留意各間書院的文化與活動、通識課程與學術要求、獎學金及海外交流機會、住宿安排或共膳制度等。同學亦可以瀏覽各書院網頁並與我們的學生大使交流，了解中大學生如何透過獨特的書院制度建立同儕間深厚的友誼，營造互助的書院社群並豐富他們的大學生活。

CUHK's JUPAS Score Calculator and Programme Expected Scores are updated annually around May to June to reflect the latest admission cycle.  
中大的分數計算機及課程預計入學分數會於每年約五月至六月更新，以配合最新的入學年度。

Achieving the Programme Expected Score is considered to be competitive for the programme concerned in Band A.  
達到課程的預計入學分數代表該申請人在該課程的組別 A 申請人內，以成績來說非常有優勢。

CUHK adopts a holistic admission approach. In addition to public examination results, applicants' academic and extra-curricular achievements, interview performance (if applicable), and other relevant factors are also considered. As the overall scores of applicants vary from year to year, the Programme Expected Score is for reference only and should not be used to predict the chance of admission to any programme.

中大收生以「擇優而錄」為原則，除申請人的公開考試成績外，亦會考慮其學術成就、課外活動參與、面試表現（如適用）及其他相關因素。由於每年報讀各課程的學生的公開考試成績有所不同，課程預計入學分數僅供參考，並不應用於預測入學的機會。
